Open House

The Stevenson High School administration and staff invite Titan families to attend Open House at 6 p.m. on September 7. It is a great way to meet your student's teachers and find out about the curriculum and expectations of his/her classes.

Attention Junior and Senior Ladies Interested in Playing Powderpuff

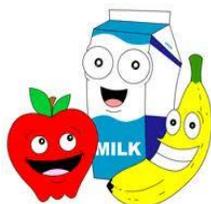

Our Powderpuff game is on Tuesday, October 10 (juniors vs seniors) and Tuesday, October 17 (Stevenson seniors vs Ford seniors). Forms can be picked up in A10 beginning Thursday, Sept 7th. The forms will be on the black filing cabinet next to the door. Sign-ups are Monday the 11 through Thursday the 15 in A10 before school from 6:50-7:15. The cost is \$40, which includes your jersey and your mouth guard. You must have a physical on file in order to play, but this is not needed to sign up. See Ms. McCloud in A10 if you have any questions!

2017 -2018 School Meal Prices have not changed.

The prices for 2017-2018 meals are:

Elementary, Lunch	\$ 2.75
Junior High, Lunch	\$ 2.90
High School, Lunch	\$ 2.95
All Grades, Breakfast	\$1.75

Vaping or possession of Vape equipment may lead to 10-day suspension

Vaping or possession of Vape equipment is a violation of District Policy. Studies by the FDA have determined that e-cigarettes and similar devices can increase nicotine addiction and can contain chemicals known to be harmful to human health. The City of Sterling Heights has an ordinance prohibiting the possession of such devices by persons under the age of 18. Regardless of age, students in possession of said devices face school discipline. In addition, students under the age of 18 face a \$500 fine from

the City of Sterling Heights. The ordinance also has provisions for possible fines for the parent or guardian.

In addition to rules against tobacco or nicotine devices, Vaping equipment may result in a ten-day suspension under the District's ban against drug paraphernalia. Since vape equipment can be used to ingest drugs other than nicotine, the equipment can be defined as drug paraphernalia.

Please help us keep the building Vape free and our students healthy by talking to your student about the dangers of vaping and encouraging them to not possess or use Vape equipment especially in school.

Parent Volunteer Reporters Wanted

Each week, I would like to report on different teams and clubs but need help. I rely on reports from the coach/sponsor or a team/club parent. If you are interested in helping, please send me an email with which team or club you would like to report on.

Credit Union One Scholarship

Credit Union ONE has scholarships for graduating high school seniors if they (or family member) are eligible (or can become eligible in time) for our scholarships. Scholarship application goes live on September 5, 2017 at <http://www.cuone.org/about/scholarships.aspx>

Announcements from Past Editions of the Titan Voice You May Have Missed

Breakfast is Served!

A healthy, nutritious breakfast is a critical ingredient to the success of our students. Studies have shown that eating breakfast significantly improves student achievement. To help our students succeed, the school breakfast program is available in all of our schools. Healthy choices include cereal, whole-grain breakfast bars, yogurt, fruit and milk in the elementary buildings. Those choices, along with fresh-made hot breakfast sandwiches and other favorites are featured in the secondary buildings. Fresh-made fruit smoothies are also available in the high schools. Breakfast is served in the cafeteria prior to the start of the school day.

For menu information and serving times at your student's school, please visit

<http://www.uticak12.org/foodandnutrition> or download the new app by searching Utica Community Schools at the App Store or Google Play.

Food and Nutrition Service Meal Policy

A new meal charging policy is in effect this year in an effort to provide clear and consistent meal account procedures, including the charging of meals and handling and disposition of negative meal balances. When a student meal charge creates a negative balance, prompt repayment is expected. To bring the meal account up to date, families can make deposits online, send cash or a check to school with the student's full name on the memo line (checks made payable to Utica Community Schools).

By establishing an account with [sendmoneytoschool.com](http://www.sendmoneytoschool.com) through the food and nutrition service link on the district website (<http://www.uticak12.org/foodandnutrition>) or app, families/parents can monitor balances and receive low balance email alerts on their students' account. Students who pay for meals may only charge (have a negative account balance) up to five (5) meals (breakfast and/or lunch). If a student has a zero or negative account balance, they will not be allowed to make any a la carte or beverage purchases. After the fifth charge, students will not be able to make purchases of any kind in the cafeteria using their meal accounts. Instead, students will be offered a regular meal (alternate meal).

Alternate meals are provided at no charge and include all the components federally required to qualify for a reimbursable meal. Alternate meals will continue to be offered while the negative balance is being resolved. For elementary school households, auto-messages from the school regarding negative/low balances are initiated weekly each Thursday (by email if provided or letter sent home). When an account balance is low or negative, cashiers will share that information with the student in a respectful age-appropriate manner. Please contact the Food and Nutrition Services Department at 586-797-1180 for further assistance.

Free & Reduced Lunch

Free & Reduced Meal Applications will be distributed to all students during registration. Families in need of assistance can apply using the paper application or by using a computer or smart-phone to apply at www.lunchapp.com.

Families are required to re-apply for benefits annually. Per federal guidelines, new applicants cannot receive meal
