This Week's Announcements

Dear Titan Families,

With only four weeks (two weeks for seniors) left in the school year, it is important to remind students to finish strong. Thank you for reviewing PowerSchool with your student to make sure we do not have any cases of Senioritis (a condition that causes seniors as they approach graduation that makes them lose focus on academics) or Spring Fever (a condition that hits all students as it gets warmer that makes them lose focus on academics).

I cannot believe the school year is almost over! I will host my last Parent Advisory Board Meeting of the school year this Wednesday at 8:30 a.m. in the Principal's Conference Room. There will only be a morning meeting for the last Parent Advisory Meeting.

I hope that all of the Titans have a great end to the school year!

NYC Send-off Concert, Wednesday, May 22

Band students have been preparing for a trip to NYC on May 23 and 24 where they will be performing. Please join them for the Send-off Concert on May 22 at 7 p.m. in the Auditorium. If you have band apparel, please wear it to the Concert.

Stevenson/UCS Indian American Student Association Charity Event May 25

The Indian American Student Association's annual charity show will be on May 25 at Henry Ford II at 6 p.m.! This show raises money for Asha for education, an organization that gives underprivileged children in India an education. See an IASA member for \$10 advanced tickets or purchase tickets for \$15 at the door.

Titan Theater

All Current and Future Titans currently in grades 8-11& their parents/guardians are invited to learn more about the Titan Theater Troupe on Wednesday May 29, 6:30 pm, in the Stevenson Auditorium. We will discuss the different ways to participate, show you some of the current talent, students will tour behind the scenes, talk about the importance of Theater, go over fundraising, and answer questions. Our goal is to spread the word that all Titans grade 9-12 are able to participate in the program. You do not have to be in a theater class to participate, there are after school participation options available. We need performance students and technical students to make our shows happen, so if you enjoy performing or are crafty and inventive, love making things with power tools or just want to know more come and ask your questions in person.

Attention all returning Band and Choir students:

Interested in joining the Tri-M Music Honor Society in 2019-20? You can begin logging and earning service hours now towards your membership next Spring! New members to our Chapter must accrue 20 hours of community service in addition to maintaining a 3.0 GPA or higher in their music classes (and a 2.0 or higher GPA overall). A rundown of the full membership criteria, plus downloadable forms can be found at: www.stevensonbands.org/tri-m

Congratulations Band & Choir Students on Induction into the Tri-M Music Honor Society

Congratulations to the newly inducted Stevenson High School Chapter Tri-M Music Honor Society Band & Choir students!

Together these students, while maintaining an average GPA of 3.61, logged nearly 1200 hours of service, much of it helping to improve the musical community in Utica Community Schools.

"We are proud of the accomplishments of our Tri-M Music Honor Society chapter members and would like to thank them for their dedication to the Stevenson Instrumental and Vocal Music Programs. Since 2014, the members of the Stevenson chapter of Tri-M have consistently displayed leadership and an eager willingness to give back to their community. "

~Mr. Humbach, Vocal Music Director & Mr. Sekich, Instrumental Music Director

The Tri-M Music Honor Society® is a program of NAFME which focuses on creating future leaders in music education and music advocacy. Tri-M is the only national honor society for student musicians in grades 6-12. There are more than 1,800 chapters across all 50 states, involving more than 75,000 students.

Each year, these students contribute more than 750,000 service hours to their schools and local communities and raise nearly \$1 million for causes they care about. NAFME awards more than \$4,500 in scholarships each year to chapters that demonstrate exceptional service and leadership.

Chapter 6920 of the Tri-M Music Honor Society was established at Stevenson High School in 2014.

Nexus Asian Student Association Collecting to Benefit American Veterans

NASA (the Nexus Asian Student Association) will be collecting items to donate to the Vietnam Veterans of America (VVA), an organization that gives aid to ALL of America's veterans in need. Funds generated from the sale of donations are used to provide a variety of services, etc. for those who have served our country. After school today, they will be dropping a collection box off for each classroom, with a flyer listing accepted donations attached (basically, they accept new and used items like those of which you find at a Salvation Army store or would sell in a garage sale). The collection drive begins tomorrow and ends **May 22**. For more information on the VVA, or to see more specific list of accessible donations, please visit <https://pickupplease.org/schedule-ppc/>.
