This Week's Announcements

Dear Titan Families,

Stevenson is closed on May 27, Memorial Day. I hope that families enjoy their day together. As you do, please take a moment to reflect and remember those that paid the ultimate price to defend our country, to defend us. Memorial Day also reminds me to thank, every day, the veterans and current military service men and women for putting their lives at risk to protect my family, my country, and me. I hope that there becomes a day that we do not have to worry about any more service men or women paying the ultimate price. I hope for peace. In the meantime, I just ask that my nephew and all service men and women who are deployed come home safe.

Announcements for the Week of Memorial Day

2019-2020 Parking Permits

Seniors are guaranteed a parking permit if they purchase it by the end of Senior Titan Day. Seniors can pay to hold a parking permit if they have a learners permit (See note on September 3 to 6) and plan to complete the training before the end of the school year. Parking permits cost \$45 dollars, if lost the cost to replace is \$80. Permits will go up to \$50 the second week of school. We are currently only honoring purchase requests of seniors. If after senior sales, we still have permits available, we will open to juniors based on attendance (the best attendance gets first priority). *At this time, we do not plan on accepting sophomore applications.*

All applicants must read the rules for parking which you can find by [clicking here](#). All spring applicants can find their [spring applications here](#). All other applications will become available online in early August.

May 28 - June 14 2018-19 Juniors with current parking permits

Juniors with current parking permits may trade in their 2018-2019 permit and receive \$5 off the 2019-2020 permit. Please see Mrs. Suvak in the AP office with your completed application, payment, all required copies, and your 2018-2019 permit. You will be given your 2019-2020 permit and can begin using it for the remainder of the school year.

June 3 – June 14 2018-19 Juniors without current parking permits

Juniors who are purchasing a permit for the first time please see Mrs. Suvak in the AP office with their completed application, payment, and all required copies. You will be given your 2019-2020 permit and may begin using it to park for the remainder of this school year.

June 14 – June 21 2019-2020 Seniors

This year's juniors become Seniors on June 15. Seniors who want to secure their permit for next year can come in to see Mrs. Suvak by June 21 with their completed application, payment, and all required copies. You will be given your 2019-2020 permit.

Titan Days – 2019-2020 Seniors with driver's license last chance for guaranteed parking permit

Titan Days is the last chance for Seniors to purchase a guaranteed permit. Seniors can purchase their parking permit for \$45 at Titan Days if they bring in a completed application, payment, and all required copies. Failure to purchase by the end of Senior Titan Day means seniors will go on the wait list with junior permit applications that are distributed based on attendance (priority given to best attendance regardless of grade). Seniors are not guaranteed a permit after Titan Days.

September 3 – 6 2019-2020 Seniors with learner's permit.

Seniors with a learner's permit may pay for and reserve a guaranteed parking permit. When the student receives their license, they must bring a photocopy to Mrs. Suvak and the student will receive their permit. No refunds for reserved parking permits that are not picked up.

September 4 – 6 Junior and Senior Waitlist Applications accepted permits \$45.

Juniors and Seniors, who failed to apply before, may apply for parking permits. All students that submit applications by September 6 will be given priority based on attendance for a \$45 parking permit.

Juniors with a learner's permit may request to reserve a parking permit. If they make the cut based on attendance, they will have to pay to hold their parking permit. When the student receives their license, they must bring a photocopy to Mrs. Suvak and the student will receive their permit. There are no refunds for parking permits that are not picked up.

September 9 – September 27 Applications to be placed on the late waitlist to purchase a permit for \$50.

Juniors and Seniors who failed to apply by September 6 can still apply to be on the waitlist. No Learner Permit applications will be accepted, all learner permit applications must be turned in by September 6.

Parking Permits sell out every year so please consider all your student's activities for the school year and purchase or reserving a permit early.

Titan Theater

All Current and Future Titans currently in grades 8-11 & their parents/guardians are invited to learn more about the Titan Theater Troupe on Wednesday May 29, 6:30 pm, in the Stevenson Auditorium. We will discuss the different ways to participate, show you some of the current talent, students will tour behind the scenes, talk about the importance of Theater, go over fundraising, and answer questions. Our goal is to spread the word that all Titans grade 9-12 are able to participate in the program. You do not have to be in a theater class to participate, there are after school participation options available. We need performance students and technical students to make our shows happen, so if you enjoy performing or are crafty and inventive, love making things with power tools or just want to know more come and ask your questions in person.
