Titan News

Dear Titan Families,

As we transition to the spring, you will also begin hearing more from us about this year's MME testing. 9th and 10th graders will be taking the PSAT assessment while our 11th graders take the SAT, WorkKeys and M-STEP. Testing begins on Tuesday, April 14th. Please be aware of these important dates as you solidify plans for Spring Break. The Stevenson staff continues to work hard with our students, and we look forward to carrying on the tradition of high achievement and excellence. This year's testing will impact all grade levels of students here at Stevenson. Watch for more information on this year's testing to be coming home soon.

The scheduling process for the 2020–2021 school year began the week of March 2nd with presentations in the 10th grade History Classes. The counselors will visit 11th grade English classes to do presentations the week of March 9. The Stevenson Counseling staff visited our feeder junior high schools to discuss the scheduling process and course selection on March 4, 5, and 6. Your son or daughter will be coming home soon with some paperwork for selecting their courses for next year. It is also our hope that you take the opportunity to have a good conversation about course selections.

I encourage you to explore the many Honors, Accelerated and Advanced Placement courses as well as the fantastic elective options offered here at SHS. Again, feel free to contact your child's counselor if you have any questions about the scheduling process.

A few key dates for upcoming events:

Student and Family Health

We want to share with you a series of important links that have been created related to student and family health. Both the Center for Disease Control and the Michigan Department of Health have created fact sheets regarding the 2019 Novel Coronavirus. The information is available at: <https://www.cdc.gov/coronavirus/2019-ncov/about/index.html> - Center for Disease Control and https://www.michigan.gov/mdhhs/0,5885,7-339-71550_5104_97675---,00.html - Michigan Department of Public Health. As always, we encourage students to practice healthy habits such as proper hand washing and coughing or sneezing into a sleeve or tissue, as well as staying home when sick, to prevent germs from spreading.

Make it Count for Students: Participate in 2020 Census

Utica Community Schools is joining area communities in helping to share information about the importance of participating in the 2020 Census.

Participating in the census survey will have a positive impact on the resources that the communities receive from the federal government, and local programs for students is no exception. The census data is used to determine federal funding levels by determining the number of residents and the needs of the community.

The census also provides funding to address key community needs for road improvements, housing, block grants and student college loans.

Census materials are scheduled to be mailed in mid-March with information on how to complete the questionnaire online, by phone or mail. More information is available at <http://census.gov/>.

Utica Community Schools

Career & Technical Education

Utica Community Schools offers Career and Technical Education (CTE) programs at all four of our district high schools as well as the Instructional Resource Center. These programs are designed to prepare students for a broad range of employment opportunities and continuing education. Follow-up studies continue to find that the most successful high school graduates were those who took a college-prep program and a Career Technical Education program of study. CTE programs are staffed by teachers with related business and industry experience that enhances the learning process with real-world relevance. CTE programs are offered in these areas:

CTE PROGRAMS	PREREQUISITES
<ul style="list-style-type: none"> Automotive Technology Business Pathways <ul style="list-style-type: none"> • Microsoft Office • Accounting • Website Development Computer and Information Systems <ul style="list-style-type: none"> • Cybersecurity Construction Trades Woodworking Design Technology Pathways <ul style="list-style-type: none"> • Architecture • Engineering • Mechanical Drafting • Mechatronics Family & Consumer Science Marketing/School Store Medical Health Science Careers Small Engines Teacher Cadet/Future Educators Welding Visual Technology/Multi-Media 	<p>Some CTE programs are taught at one high school only, but programs are available to students at all high schools. A complete program of study in a CTE area usually involves a sequence (or multiple) of courses. Advanced courses often have the preceding course as a prerequisite. For these reasons, students should plan early to include CTE as part of their high school experience.</p>

All CTE programs adhere to the District's policies of nondiscrimination on the basis of race, color, religion, national origin or ancestry, gender, age, disability, height, weight or marital status in all programs, activities, and employment. In addition, arrangements can be made to ensure that the lack of English language skills is not a barrier to admission or participation. Support services are available through Carl D. Perkins Education Act for students with special needs. Inquiries related to nondiscrimination policies should be directed to: Civil Rights Coordinator, Assistant Superintendent of Human Resources Utica Community Schools, 11303 Greendale, Sterling Heights, MI 48312 Phone: (586) 797-1000. Nondiscrimination inquiries related to disability should be directed to: Executive Director of Special Education, same address Phone: (586) 797-1020.

Please welcome Dakota Dilday to Stevenson Counseling!

I'm a graduate of Michigan State University and last year, I received my Master's in Clinical Mental Health & School Counseling from Oakland University. Since then, I have been working in the counseling department in all 4 of the UCS high schools. After the school day is over, I spend my afternoon working with children with Autism Spectrum Disorder. When I have free time, I like to spend my weekends traveling to new places. I am looking forward to spending the rest of the school year as a Stevenson Titan!

Please see the excerpt below from the page 3 of the High School Handbook regarding vacations:

Pre-excused/Extended Absences

Absences for family vacations or travel during scheduled school days are discouraged; however, should it be necessary for a student to be absent for a family vacation or travel, a pre-excused absence should be obtained by submitting a written request one week prior to the event. Arrangements should be made with the student's teachers in advance as to the timelines for completing class work. Homework may be requested and requires 24 hours to process. Extending school vacations by taking additional days off is strongly discouraged.

Has your child lost a coat, hoodie, shoes, lunchbox, water bottle, or any other item? Please have them check out the Lost and Found table in the main office. FOR JUNIORS – CLASS OF 2021 **Senior All Night Party News**

This message is for the parents of upcoming juniors at Stevenson High School in regard to their Senior All Night Party, yes we are looking forward to this already!

We know it is a bit scary to think about, but when you are planning a party for a huge amount of kids, raising money is key.

The current class of 2020 is in full swing of raising money for their Senior All Night Party, but what they did not realize when they started were two things:

- 1) How expensive the party is to put on
- 2) And the current class is responsible for also raising money for the next class coming up, it is a tradition.

With that said, the parents of the class of 2020 decided to reach out to the parents/students of the class of 2021 to combine forces to help each create an amazing event for both the Class of 2020 and the Class of 2021. How are we doing this?

In order for the class of 2020 parents to be able to raise funds for both groups, we need support of our fundraisers, we need to get the word out.

We have 4 ways we are raising money:

- 1) **Euchre Night – This was an amazing success, thank you for all who attended!!!**
- 2) Apparel – we have begun selling shirts for seniors as well as juniors. If you are interested, please check out <https://shs2020.itemorder.com/sale>
